Free Online Training

About

Available through slc.me, students have access to *free online training* at lynda.com. Here, students will gain access to a vast video library of courses made up of high-quality tutorials taught by recognized professionals. The courses cover a range of topics related to business, software, technology, creative skills, personal skills, and more.

How to Login

To access your *free* subscription to lynda.com, Please enter www.Lynda.com in to the address bar of the browser of your choice. The following is an example of the Lynda.com homepage.

The screenshot shows the Lynda.com homepage with a dark header. The header includes the Lynda.com logo (A LINKEDIN COMPANY), navigation links for "Become a member", "Business", "Academic", and "Government", and a search bar with the text "Browse the library" and "Search for the software or skills you want to learn". There are also "Reactivate" and "Log in" links in the top right.

The main content area is divided into two columns. The left column is titled "New courses" and features a grid of course thumbnails with titles and dates. The right column is titled "10-minute tips" and features a list of short video tips with titles and durations.
