

Program List – Winter 2019

The following SLC programs have chosen to integrate online GenEds at specific points in their curriculum. Students required or eligible to take an online GenEd will receive an email alerting them to register for their online GenEd course for the upcoming term. The email will direct them to the registration website for further instructions.

For example, a student who currently enrolled in semester 2 of the Hairstyling program in Brockville will be required to take an online GenEd. The program, semester/level, and campus information is provided in the tables below:

Brockville Campus
